## DISCLAIMER

As a resident/property owner in the Salt Rock area, you are invited to join the Salt Rock Neighbourhood Watch (SRNW). A Neighbourhood Watch is a crime prevention programme designed to encourage the community to cooperate with fellow members, security companies and the SAPS in reducing opportunities for crime. The underlying principal objective is to watch over each other and become good and caring neighbours.

This involves:

- Neighbours getting to know each other and working collectively to build on-going, permanent relationships for the purpose of reducing crime within the community, for the benefit of the community.
- Reporting suspicious activities to local security companies and the SAPS\*.
- Looking out for older and vulnerable members of the community.

**This does not involve any form of patrolling or formation of vigilante groups.**

One of our committee members will make contact with all residents/property owners who join the group and will present you with the SRNW Pack which will provide you with all the necessary on-boarding information. In addition, we will circulate 'Alert' text messages via Whatsapp and/or SMS, as well as regular emails in order to communicate relevant information to you. You are able to opt out of any of these communication methods at any time.

**MONTHLY MEMBERSHIP FEE** (paid in advance):

R140.00/R80.00 (pensioners)

Membership fees can be paid directly via EFT/telephone/ATM banking/stop orders, etc. Please use your initials and surname as a reference.
